INDEPENDENT AUDITOR'S REPORT

Board of Directors

Berkeley, California

We have audited the accompanying statement of financial position of the Pacifica Foundation (a nonprofit organization) at September 30, 2005, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted the audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Pacifica Foundation at September 30, 2005 and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The Statements of Financial Position, Activities, Other Revenue and Functional Expenses (By Division) on pages 20 through 28 are not a required part of the basic financial statements of Pacifica Foundation but are supplementary information presented for purposes of additional analysis. Such information has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and, accordingly, we express no opinion on it.

PACIFICA FOUNDATION
NOTES TO FINANCIAL
STATEMENTS
SEPTEMBER 30, 2005

Notes to Financial Statements

NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Description of Operations

Pacifica Foundation was incorporated under the Nonprofit Corporation Law of the State of California on August 24, 1946 and currently operates, on a not-for-profit basis, five FM radio stations and maintains a program tape library which is used to sell and rent taped programs to other non-commercial radio stations, news services, schools, colleges, universities and the general public. Contributions are used to support non-commercial radio stations and to create public affairs programming which is available to 122 affiliated non-commercial radio stations.

The financial statements include the operations of the following divisions:

Radio Station-KPFA-Berkeley, California
Radio Station-KPFK-Los Angeles, California
Radio Station-KPFT-Houston, Texas
Radio Station-WBAI-New York, New York
Radio Station-WPFW-Washington, D.C.
Pacifica Foundation-National Division (National Office & Pacifica Radio Archives)

All significant inter-division accounts have been eliminated.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Inventory

Each station maintains an inventory of premium items used for fundraising activities carried at the lower of cost or fair market values.

Property and Equipment

Purchases of property and equipment are recorded at cost. Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose (see Note 4). Property and equipment are depreciated using the straight-line method over 30 yrs for Buildings, 10 yrs for Furniture and Fixtures, 10yrs for Technical Equipment, 20yrs for Transmitter and Antenna Equipment (10yrs for Transmitter equipment acquired prior to October 1, 2002) and 5yrs for Computer and Office Equipment. The Organization's capitalization policy is to capitalize and depreciate assets over \$1,000.

PACIFICA FOUNDATION
FOR THE YEAR ENDED SEPTEMBER 30, 2005

Intangible Assets

The foundation owns the broadcasting licenses of all five stations of which four licenses were acquired at no cost to the Foundation.

The cost of the fifth broadcasting license (WPFW) was being amortized on a straight-line method over 20 years from date of acquisition (1977). That license was fully amortized as of September 30, 1997 and, as such, no amortization was charged to operations in the year ended September 30, 2005. (Radio Station WPFW).

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

Unrestricted net assets

Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets

Net assets subject to donor-imposed stipulations that may be met, either by actions of the Foundation and/or the passage of time. When a restriction expires, temporarily restricted net assets are classified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. During the year ended September 30, 2005, \$263,936 of net assets were released from restrictions including \$21,500 and \$99,500 in grant expenditures respectively from NEA and charitable foundations (Note 9).

Permanently restricted net assets

Net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation. Generally, the donors of these assets permit the Foundation to use all or part of the income earned on any related investments for general or specific purposes. (see note 6)

Contributions

Contributions, including unconditional promises to give, are recorded as made. All contributions are available for unrestricted use unless specifically restricted by the donor. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Unconditional promises to give due in the next year are recorded at their net realizable value. As of September 30, 2005 there were no unconditional promises to give in subsequent years, other than the Lutz Charitable Remainder Trust (see Note 17).

PACIFICA FOUNDATION
FOR THE YEAR ENDED SEPTEMBER 30, 2005

Restricted Grants

In accordance with the provisions of each grant, the funds received are restricted in use and must be used for their intended purposes. In general, the restrictions are that the funds be used for the operation of the radio stations but also contain specific restrictions such as salaries, consulting fees for special events and other similar expenditures. All other revenues are considered to be available for unrestricted use except for various endowments specifically restricted by the donor. (See Notes 6 & 9)

Income Recognition from Community Events

Funds received in advance from community events are shown as deferred income when received. These amounts are recorded as income when the funds are disbursed upon the completion of the community event in order to more closely match revenue with the related expenditure.

Donated services-volunteers

No amount has been included for volunteer support, where the amounts donated and contributed are for services of volunteers, where the work being performed is other than their regular professional occupation.

Income Taxes

The Foundation has qualified as a tax-exempt organization under 501(C)(3) of the Internal Revenue Code and therefore has made no provision for Federal income taxes, other than taxes on unrelated business taxable income (UBTI). During the fiscal year ended September 30, 2005, the Foundation incurred Federal and California income taxes of \$4,540 on UBTI from commercial leases.

Balances are insured up to \$500,000 (with a limit of \$100,000 for cash) by the Securities Investor Protection Corp. There were no amounts in excess of the insured limits with brokers at September 30, 2005.

NOTE 2 – Investments

The Organization's securities investments that are bought and held principally for the purpose of selling them in the near term are classified as trading securities. NOTE 10 – SCA Income

Pacifica Foundation entered into sub-carrier agreements (SCA) in March 1984, whereby outside companies would be allowed to use a portion of certain Pacifica stations' base bands in order to broadcast signals to the outside companies' subscribers. The initial terms of the agreements were five years from start of operations at each respective station. Subsequent to the initial agreements, some of the leases have expired and some have renewed. Additional agreements have been entered into during the year ended September 30, 2005 resulting in total annual SCA revenue of approximately \$ 386,500.

Income from the leases is recorded in total at the National Office and allocated to the various stations for special projects as needed and approved by the board.

In 1984, Pacifica Foundation had retained legal counsel to investigate the possibility that the above income is unrelated and thereby taxable, and a determination request was submitted to the IRS. The response from the IRS indicated that the income is not taxable and that Pacifica's not-for-profit status will not be affected.

NOTE 11 – Lease Commitments, Offices And Facilities**Studio and Office Rent**

The Foundation leases offices and operating facilities under operating leases providing for minimum future rentals at WBAI-FM, WPFW-FM and KPFT-FM. WBAI is currently obligated under a studio and office lease rental agreement entered into in June 1997 for 15 years at a current monthly base rental of \$19,606.75. WPFW is currently obligated under a studio and office lease rental agreement amended October 24, 2000 extending the lease term to November 30, 2008 at a current monthly base rental of \$11,348.75. Generally, the leases provide that insurance, maintenance and taxes are to be paid by the lessee.

Equipment Rental (Towers)**NEW YORK-WBAI-FM**

NOTE 12 – Pending Legal Matters**Commitments and Contingencies**

Management believes that the resolutions claims and pending litigation will not have a material effect, individually or in the aggregate, to the financial position, results of operations and cash flows. Legal counsel has advised management that a range of loss, if any, cannot be reasonably estimated at this time. Accordingly, no provision for possible loss has been made in these financial statements.

Communications Attorneys

Pacifica's communications attorneys have advised management that they are not aware of any pending or threatened litigations, claims, or assessments.

Producer will actively assist Pacifica in on-air fundraising drives to substantially the same extent as before and shall have the rights to also engage in fundraising on its own behalf. Producer will deliver the program to Pacifica at Pacifica's expense using technically reasonable means, which may include, as at present, an ISDN line. In addition to the fees specified above, Pacifica will pay the costs of Producer's ISDN and telephone service, not to exceed \$4,000 per month.

PACIFICA FOUNDATION
FOR THE YEAR ENDED SEPTEMBER 30, 2005

NOTE 17 – Charitable Remainder Trust

In December 1990 Pacifica was named principal beneficiary of a charitable remainder trust. The terms of the trust calls for monthly percentage of principal payments to named income beneficiaries. Required monthly payments are to be paid first out of trust income, then out of trust principal, with any excess trust income added to principal. Annual trust administrative costs are to be paid out of trusts assets. Upon expiration of the trust term of twenty years or if earlier, upon the death of the last income beneficiary, trust assets revert to Pacifica Foundation. The market value of the trust assets at September 30, 2005 was \$145,890.

NOTE 18 – Subsequent Events-Annual Election Of Directors

Pursuant to the adoption of new By-Laws, the five station Pacifica Radio network had elections in February, 2004 whereby over 16,000 active members nationwide cast ballots in an independently supervised election that elected five 24-member Local Station Boards (LSB) representing KPFA, KPFK, KPFT, WBAI and WPFW. The LSB's in turn elected representatives to a 22 member Pacifica National Board seated on March 12, 2004. As of September 30, 2004 there were approximately 95,555 active members across the Pacifica network which met the voting qualifications of (a) donating \$25 or more to a Pacifica station during the year, or (b) volunteering a minimum of three verifiable hours to a Pacifica station, or (c) receiving a staff or hardship exemption qualification. No goods or services are provided to members other than the right to attend meetings, vote or hold office and, accordingly, the organization does not recognize a portion of donations received as Membership Dues. Subsequent to September 30, 2004, annual elections were held across the network in November and December of 2004 whereby, over 11,000 active members nationwide cast ballots in an independently supervised election that elected 12 members to each of the five 24-member LSB's to three-year terms. The LSB's in turn elected four representatives each to a 22 member PACIFICA NATIONAL BOARD (Including 2 affiliate members) that was seated in January 2005.
